

**MINUTES OF
CITY COMMISSION WORK SESSION
WEDNESDAY, MAY 5, 2010, 11:30 A.M.
CITY HALL, PIGEON FORGE, TENNESSEE**

Present were Mayor Whaley, Vice Mayor McClure, Commissioner Brackins, Commissioner Robinson, Commissioner Wear, City Manager Teaster, City Recorder Clabo, City Attorney Gass, and interested parties.

Items discussed were as follows.

1. **Review and discussion of proposal to relocate a billboard** – Brent Collier requested relocation of billboard from Wears Valley Road to Flap Jacks Pancake House on the Parkway. City Attorney Gass stated that this needed to go to planning commission for approval since new pole is being put in and it would be a modification of the existing site plan. Mr. Collier noted that the billboard may be put in as digital board.

Following discussion, council directed staff to put on agenda for next council meeting for approval pending planning commission approval.

2. **Discussion of proposal to relocate a billboard** – Charlie Moore stated that he wanted to move signage from Dollywood hill location to Winery on Parkway for a billboard. City Attorney Gass said that issue is that this involves boards that are not licensed by the State. The City currently does not recognize signs not licensed to be moved and this is outside the scope of the city's authority.

Following discussion, council agreed to have Charlie compile more information and bring back for further discussion and consideration.

3. **Discussion regarding the Fiscal Year 2010-2011 budget** – There was general discussion regarding the budget including projected revenues and estimated expenditures. Department Heads were given the opportunity to discuss their respective budget with council and answer any specific questions presented.

Following discussion, council members were told that budget workbooks would be prepared and available for their review on May 14, 2010.

After general discussion, the meeting was duly adjourned at 3:45 p.m.
