

BID REQUEST

The City of Pigeon Forge is seeking bids for a sign to be constructed at Patriot Park. This project includes the production of a sign, the support structure, and all work associated with the installation of the sign and sign structure as specified. This sign will be approximately ten feet wide by ten feet in height, which includes the structure. Specifications and information regarding this request are to be picked up at the Pigeon Forge Community Center, 170 Community Center Drive, Pigeon Forge, Tennessee, 37868 beginning July 12th.
