NOTICE OF BID

April 25, 2019

The City of Pigeon Forge is receiving bids for re-setting the foundations for support posts and gate operator for the rear security gate and the City's Wastewater Treatment Plant.

Specifications may be obtained from Veolia Water North America, 2530 City Park Drive, Pigeon Forge, Tennessee between the hours of 8:00 a.m. and 4:30 p.m., Monday thru Friday.

A mandatory Pre-Bid meeting will be held on May 1st at 10:00 a.m. at the City of Pigeon Forge Wastewater Treatment plant located at 2530 City Park Drive, Pigeon Forge Tn.

All bids must be in a sealed envelope with the bidder's name and address, State of Tennessee contractor license number and the reference "WWTP Security Gate Repair" clearly marked on the outside of the envelope.

Bids should be transmitted through UPS or Federal Express and shall be addressed to: Mark Miller, City of Pigeon Forge, Department of Public Works, 3211 Rena Street 37863. Bids will be received until 10:00 AM on May 8th 2019 at the City of Pigeon Forge Public Works department located at 3211 Rena Street, Pigeon Forge TN, at which time they will be opened and read aloud.

The City reserves the right to reject any or all bids or to accept the bid most favorable to the City.

This 25th day of April 2019.

Department of Public Works
Pigeon Forge, Tennessee 37863

	Project Description Security Gate Repair	
--	---	--

DESCRIPTION

The subject security gate was installed in the Spring of 2015 and consists of (2) primary support posts, entrance gate, electrical disconnect and Lift Master gate operator. The gate operates intermittently, with the suspected cause related to inadequate installation techniques.

PROJECT SCOPE

1. The contractor will be responsible for assessing the overall condition of the gate, posts, operator and associated foundations to confirm the cause of intermittent operation.
2. The existing posts will be removed and replaced with sound foundations to a minimum of 4 feet in depth. The new foundation for the gate operator and adjacent post shall be installed as one complete slab to further enhance structural stability. The operator foundation shall be poured to a minimum of 3 feet in depth.
3. Contractor will be responsible for removing old concrete from the site and dressing the affected areas.
4. The contractor shall Lock-out/Tag-out associated electrical components prior to beginning construction activities.

BIDDER REQUIREMENTS

1. All bidders must be a licensed contractor in the State of Tennessee.
2. All bidders must have a certified gate technician on staff that is up to date on all certifications with the American Fence Association.
3. The contractor's primary offices shall be within a 30 mile radius of Pigeon Forge, Tennessee.
4. The successful bidder shall carry a minimum of 1 million dollars in general liability insurance. The City of Pigeon Forge and Veolia Water must be listed as an additional insured.
