

## PUBLIC NOTICE

This notice serves to officially inform residents of the City of Pigeon Forge who were affected by the November 28, 2016 wildfire of the following:

All lots must have debris removed completely by May 31, 2017. The City can assist by you placing **Metal, Tin or Building Material** on the street right of way so City crews can pick it up and haul to the demolition landfill. Items the City cannot pick up are **Building Foundations, Block, Brick, or Chimney Material**. If a contractor is removing the debris, it cannot be placed on the City right of way for pick up.

This 27 day of April 2017.
