I hereby certify that I have read and examined the information contained in this application and know the same to be true and correct. I understand that all costs incurred in the design, construction, and the cost of obtaining any required rights-of-way and/or easements for this project shall be borne by the owner(s)/developer(s) of the property served. I further understand that ownership of all rights-of-ways, easements, and all piping/equipment etc. shall be deeded to the City of Pigeon Forge, one set of as-built plans provided, and an approved bacteriological test performed before acceptance of this project by the City of Pigeon Forge. The City of Pigeon Forge will place no customers into service on this extension before these items have been completed. I understand that before any piping is covered or concealed in any manner that the same must be pressure tested, inspected, and approved by the City Utility Inspector. I agree to comply with all laws, codes, ordinances, and restrictions, whether specified herein or not, governing this type of work. I also understand that approval of my project is contingent on an acceptable flow analysis and I may be subject to a fee of \$500.00 for a flow analysis.
